

OCCUPATIONAL HEALTH AND SAFETY POLICY

WasteChem Pty Ltd (WasteChem) is committed to providing a healthy and safe working environment; and to preventing injury, illness and impairment to the health of employees, customers, contractors, and the public. WasteChem rates OH&S performance as a fundamental business objective.

Specifically we will undertake the following initiatives:

- Take all reasonable measures to maintain the health and safety of ourselves and our colleagues at work;
- Comply with all statutory regulations including standards and codes of practice;
- Assist our customers by providing services that address maintaining the regulatory requirements associated with their operations;
- Ensure that the OH&S risk presented by any operation is evaluated as part of a risk assessment process and suitable control measures are implemented;
- Consider OH&S as a standing topic in all our directors and staff meetings;
- Engage the support of our employees by providing a consultative environment for personnel to address OH&S risks and to promote their views;
- Provide appropriate information, instruction, supervision, and training to staff in the area of OH&S;
- Make the policy available to the public, customers and suppliers;
- Ensure that all employees, contractors, customers, and visitors are informed of and understand their obligations in respect to this policy; and
- Review the policy on a regular basis.
